THROUGHTOUT THE
HISTORY OF CRIME
ORGANIZATIONS
THERE WAS ONE
WHO WAS RESPON-
SIBLE FOR SOME OF
THE MOST RARE
AND BIZARRE CRIME
EVER COMMITTED.

WHEN VIEWED BY
THE COMMON
PERSON, ALL THE
MEMBERS
SEEMED TO BE
WOMEN. I SAID
"SEEMED TO BE"
BECAUSE ALL
THE "WOMEN"
WERE ACTUALLY
DEMONIC BEINGS

THE ORGANI-
ZATION WAS
NAMED PAN-
THER CLAW!

AS THE
NAME DE-
SCRIBES, ITS
CLAW SCAT-
TERED THE
FORTUNES OF
PEOPLE.

THE
LEADER'S
NAME
WAS
SISTER
JILL.

SHE
WAS A
BEAUTI-
FUL
BEAST!

EVEN AN
ENTIRE
NATION WAS
DESTROYED
BY THEM!

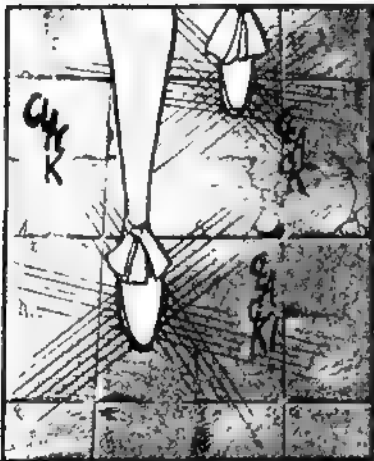

THEY
PER-
FORMED
ALL SORT
OF CRIMES:
DRUGS,
ROBBERY,
ABDUC-
TIONS,
MURDER,
AND
BOMBINGS

JILL POSSESSED THE
VELVET BEAUTY AND
SAVAGERY OF A
PANTHER! SOME SAY
SISTER JILL WAS
INCARNATION OF A
PANTHER ITSELF.

PANTHER CLAW'S HANDS
REACHED JAPAN. CRIME
BEGAT MORE CRIME, ONE
AFTER THE ANOTHER.
JAPAN BECAME A CAPI-
TAL OF DARKNESS WITH
THE STENCH OF BLOOD
EVERYWHERE.

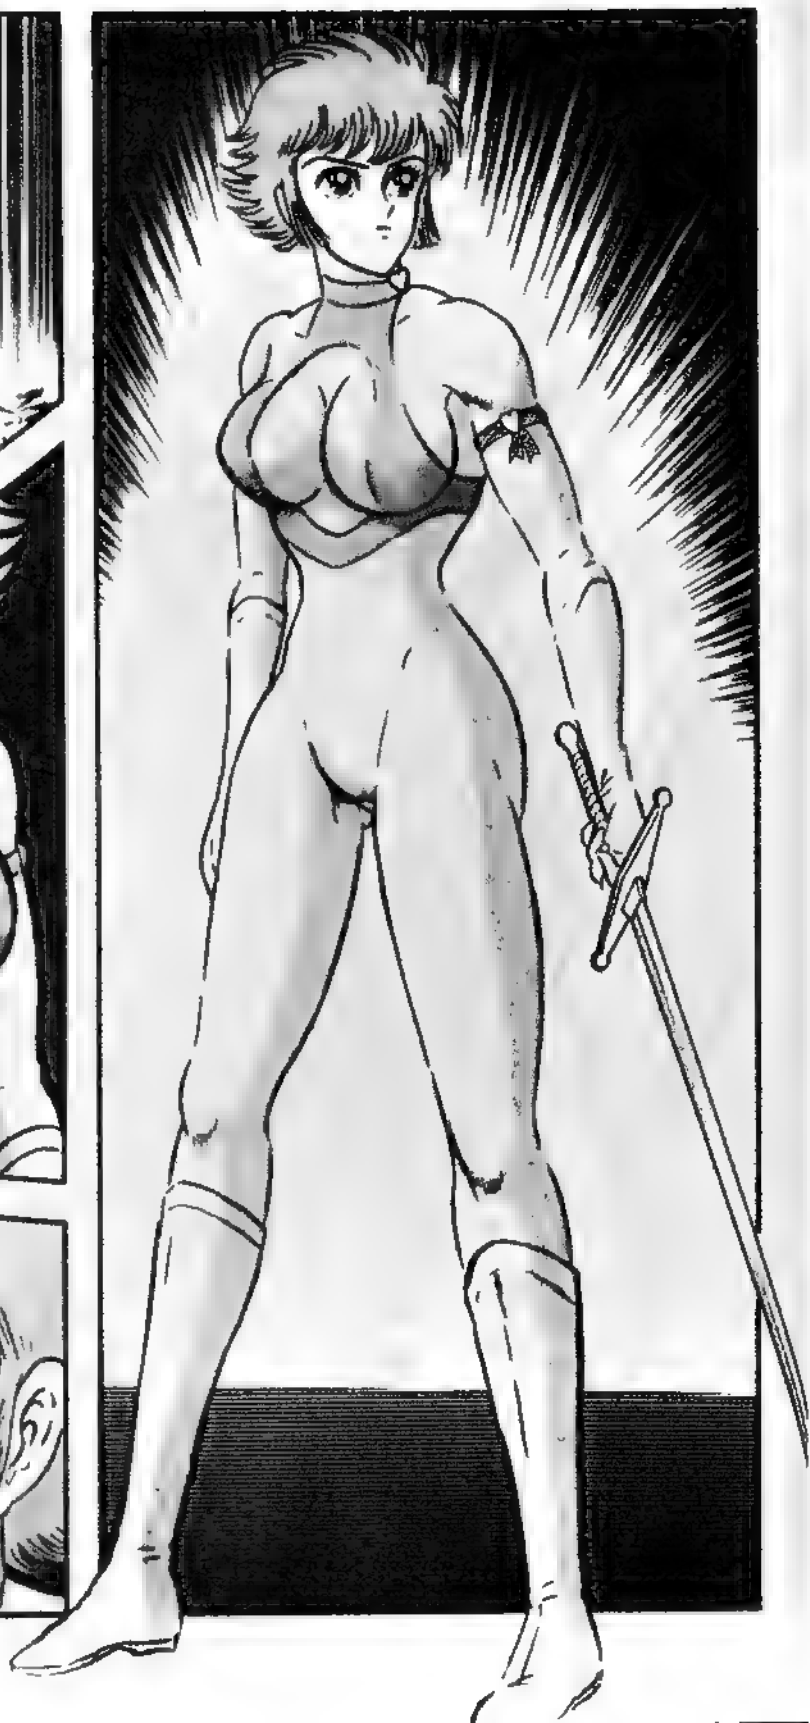

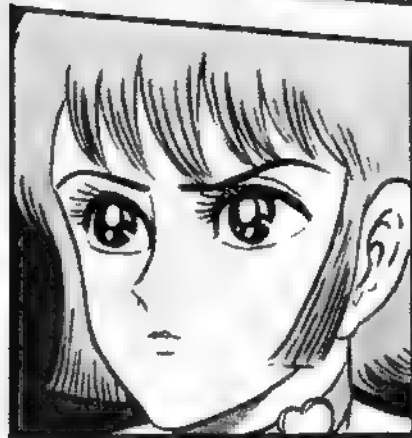

BUT

IN THE
DARKNESS
THAT
PANTHER
CLAW
CREATED, A
LIGHT
APPEARED.
A LIGHT IN....

THE
FORM
OF A
GIRL!!

THE
FORM
OF A
GIRL!!

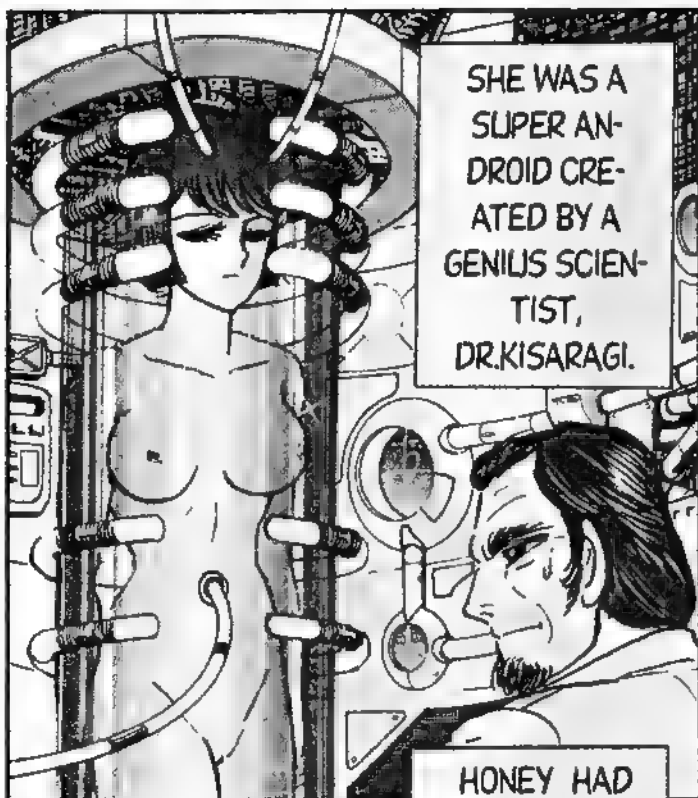

THE
GIRL'S
NAME
WAS
HONEY.

CUTIE
HONEY

HOW-
EVER
THE
GIRL
WAS
NOT
HU-
MAN.

SHE WAS A
SUPER AN-
DROID CRE-
ATED BY A
GENIUS SCIEN-
TIST,
DR. KISARAGI.

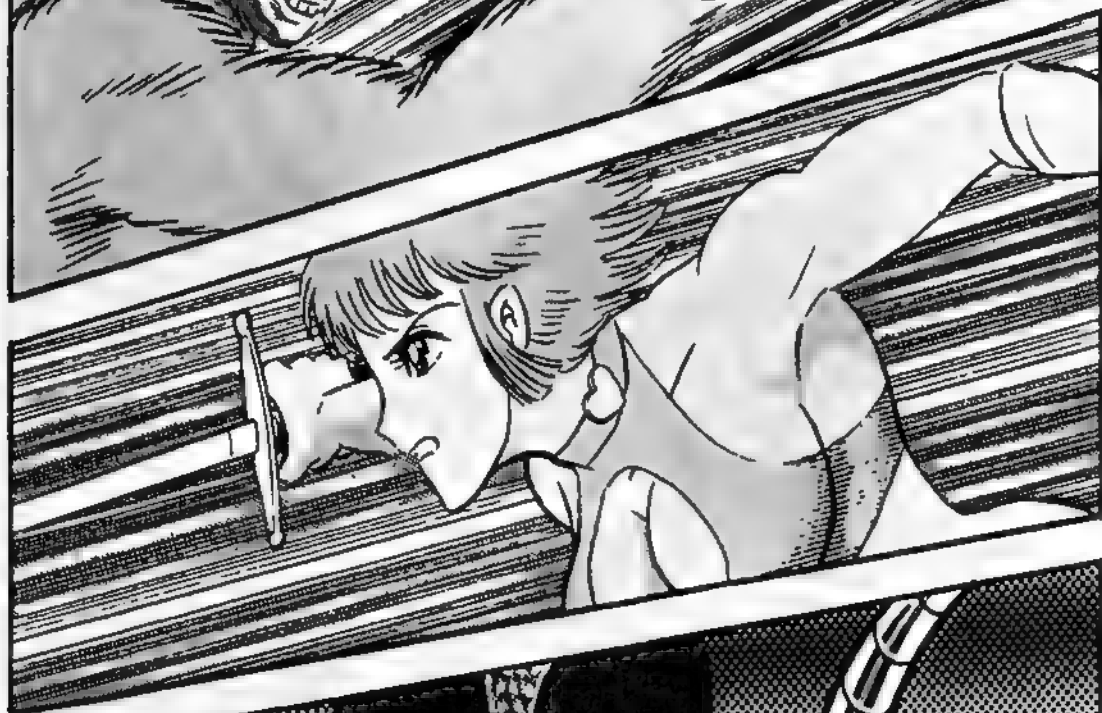

HONEY HAD
AN ARTIFICIAL
MEMORY AND
WAS RAISED
AS A REAL
HUMAN.

BUT HER FORTUNE
DID NOT LAST LONG.
HER FATHER, DR.
KISARAGI, WAS
KILLED BY PANTHER
CLAW.

UPON HIS
DEATH, THE
ANDROID
WITHIN HER
AWOKE. WITH
THE POWER OF
AN "ELEMEN-
TAL MATERI-
ALIZING DE-
VICE" IM-
PLANTED IN
HER, SHE
CHALLENGED
PANTHER
CLAW.

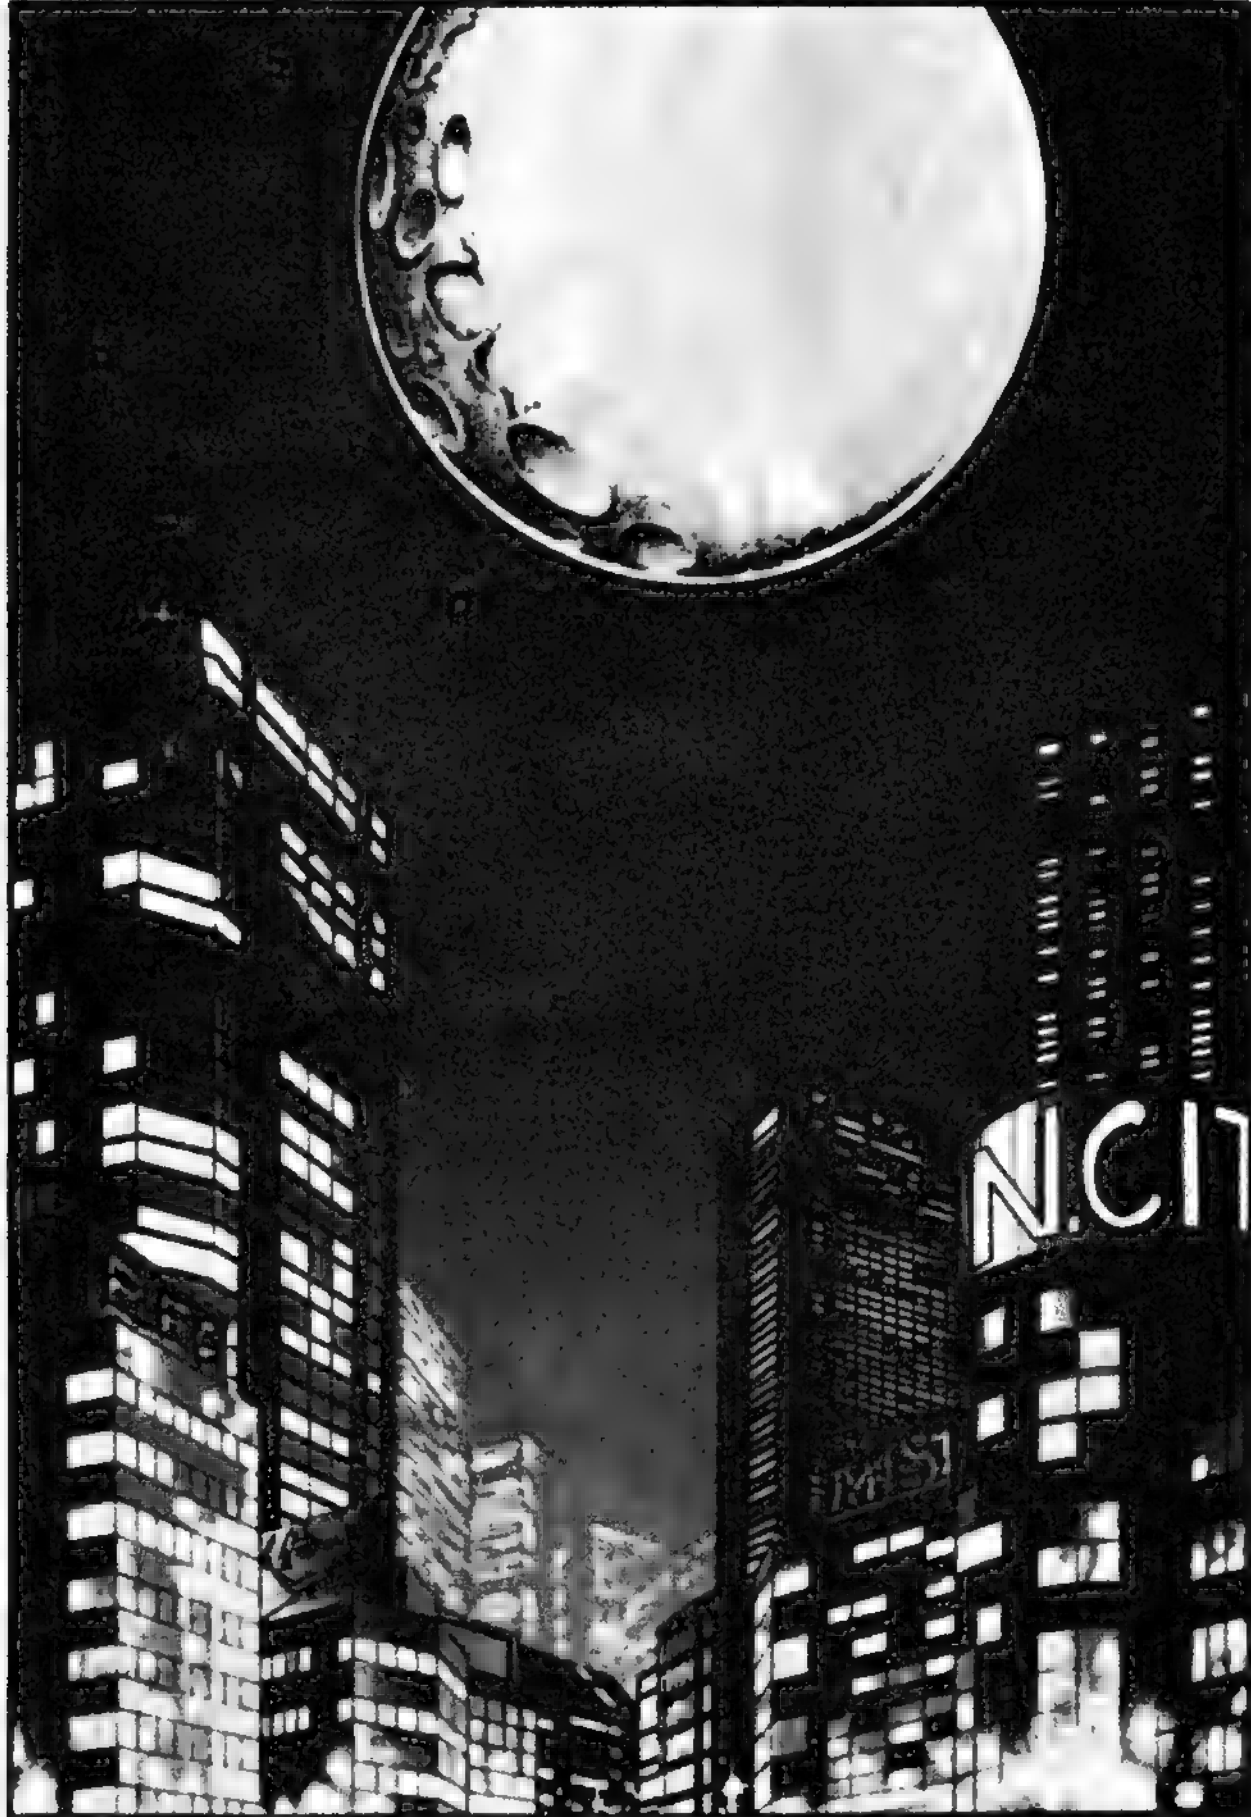

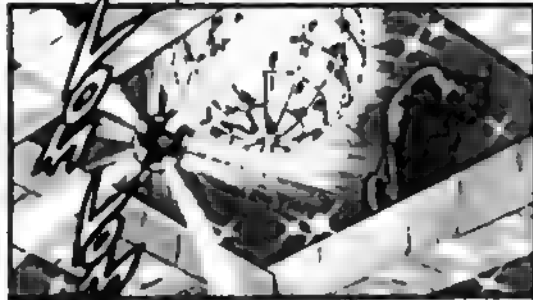

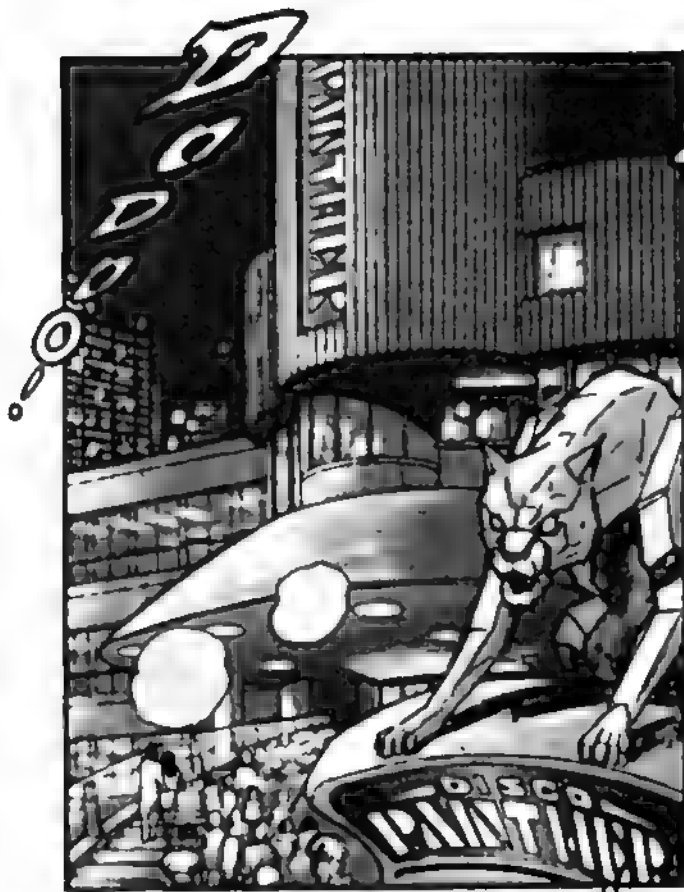

AFTER A SERIES
OF FIERCE
BATTLES SHE
DEFEATED SIS-
TER JILL, BUT...

30 YEAR LATER, THE
HANDS OF PANTHER
CLAW ARE RETURN-
ING TO THE WORLD!

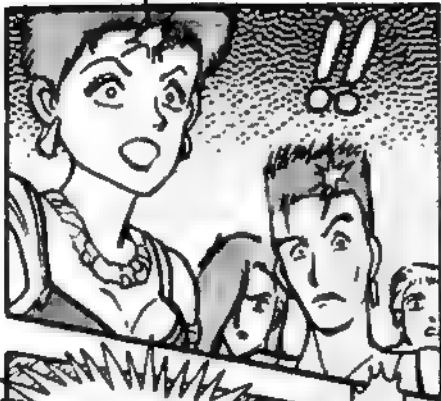

WITH PLEASURE,
SISTER JILL!

YES
MA'AM

HONEY, I
SHALL
GET YOU
THIS
TIME.

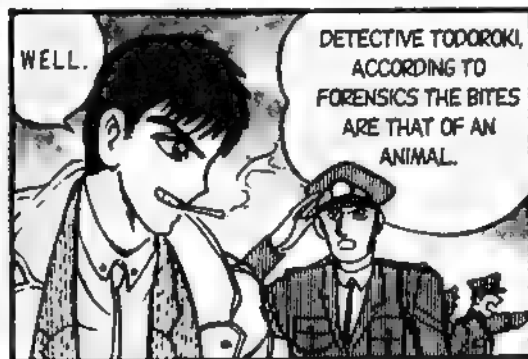

MY
NAME
IS
SIS-
TER
JILL

I'VE
BEEN
RESUR-
RECTED
FROM
HELL!

YOU
SHALL
BE MY
MEN
FROM
NOW
ON!!

DEAD BODY IN TOKYO BAY: A TEENAGE GIRL WAS FOUND DEAD, NAKED AND COVERED WITH BITE MARKS. WEDNESDAY, JULY 1, 1992

WELL.

DETECTIVE TODOROKI,
ACCORDING TO
FORENSICS THE BITES
ARE THAT OF AN
ANIMAL.

LIKE
WHAT?

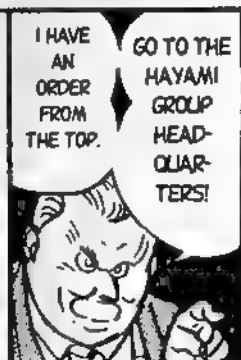

SOMETHING FROM
THE LARGE CAT
FAMILY. WE ASSUME
IT WAS PROBABLY A
TIGER OR A LION.

TODOROKI,
AREN'T YOU IN
CHARGE
OF THIS
HOMICIDE?

YES
SIR?

I HAVE
AN
ORDER
FROM
THE TOP.

GO TO THE
HAYAMI
GROUP HEAD-
QUARTERS!

THE HAYAMI
GROUP WHAT IS
KNOWN AS
HONEY GROUP?

HAYAMI
GROUP IS
RUN BY TWO
BROTHERS
SEIJI AND
JUNPEI,
RIGHT?

HOW, ARE THEY
RELATED TO
THIS CASE?

THE HAYAMIS APPEARED
ON THE SCENE 30 YEARS
AGO, AND IN THE LAST
FEW YEARS

THEY BUILT
A HUGE
CORPORATION.

RUMOR SAYS
THEY HAVE A
SECRET
SOURCE OF
UNLIMITED
CAPITAL.

WELL, EVERY
HUGE CORPO-
RATION HAS
SOME DIRTY
DEALINGS.

THEIR HEAD-
QUARTERS ARE
LOCATED AT
HONEY TOW-
ERS, A HIGH
CLASS HOTEL.

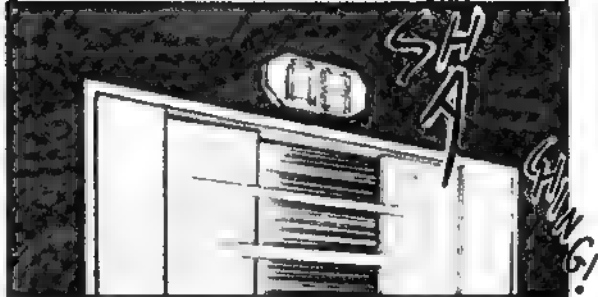

NOW,

I NEVER
IMAGINED
THAT A 80
STORY
BUILDING
WOULD BE
ERECTED
IN GINZA.

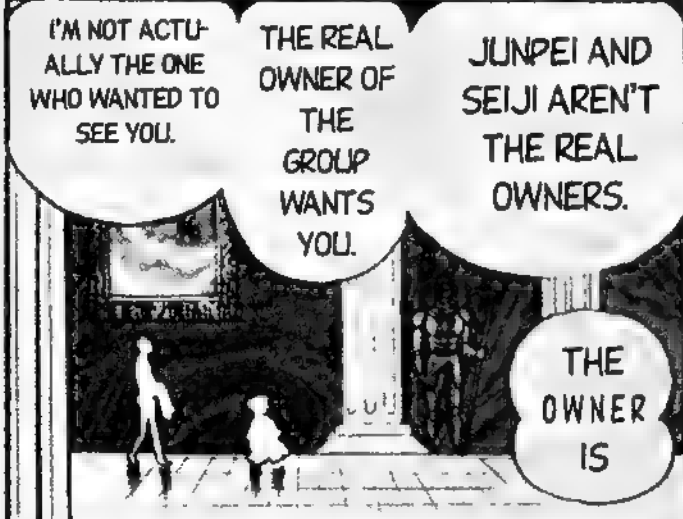

WHO
WOULD
WANT
TO

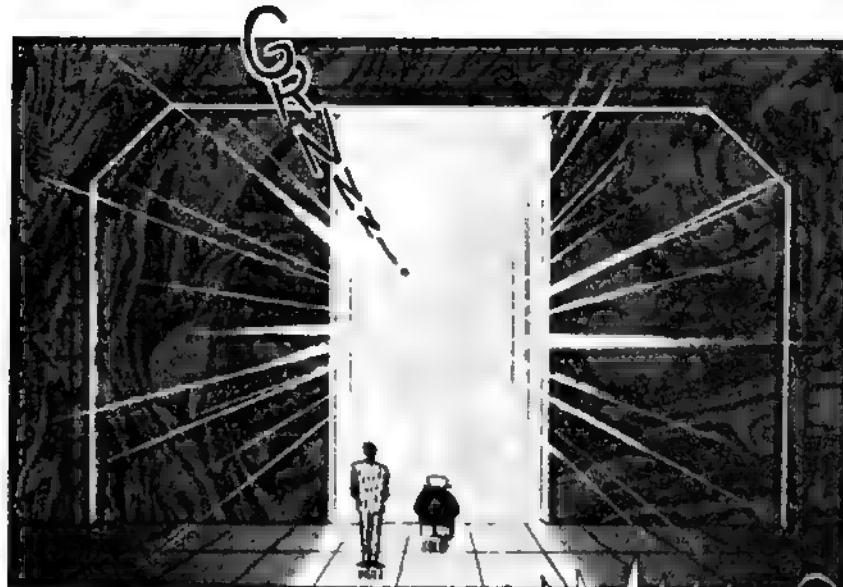

SEE, AN
ORDINARY
COP LIKE
ME?

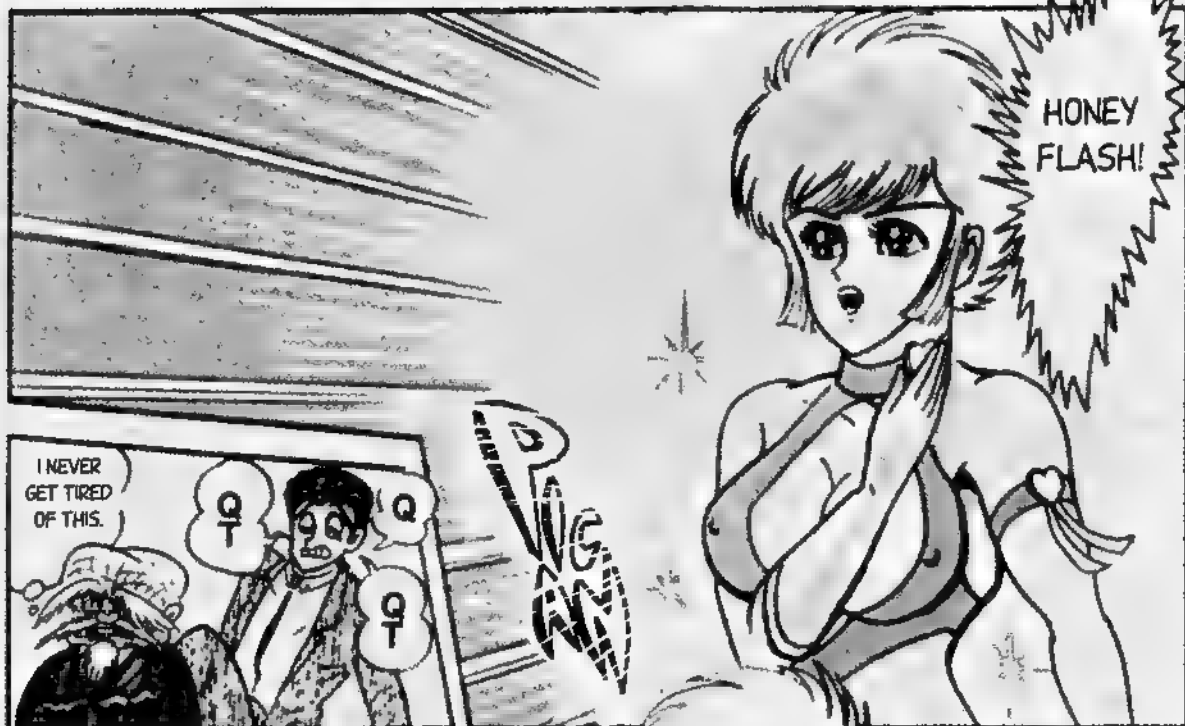

88 YRS OLD!

DETECTIVE
TODOROKI, I WANT
YOU TO USE YOUR
FLEXIBLE BRAIN
TO UNDERSTAND
WHAT I'M GOING
TO TELL YOU!

THE CRIMI-
NAL SUS-
PECT IN YOUR
CASE IS NOT
AN ORDINARY
ONE!

W-
WELL

I
SEE

NOT
AN
ORDI-
NARY
ONE

SO YOU
MEAN
THERE
ARE MORE
THAN
TWO?

NO,

THAT'S
NOT
WHAT
MEAN.

SORRY

BAD
JOKE

FOR-
GIVE
ME.

AND DO
YOU
HAVE
ANY
CLUES?

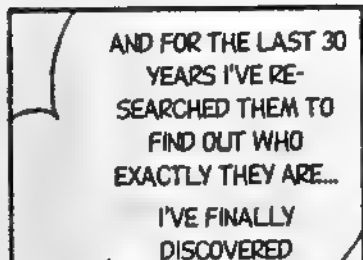

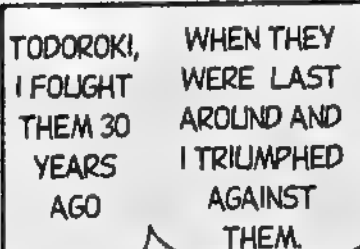

SISTER
JILL HAS
BEEN
RESUR-
RECTED!

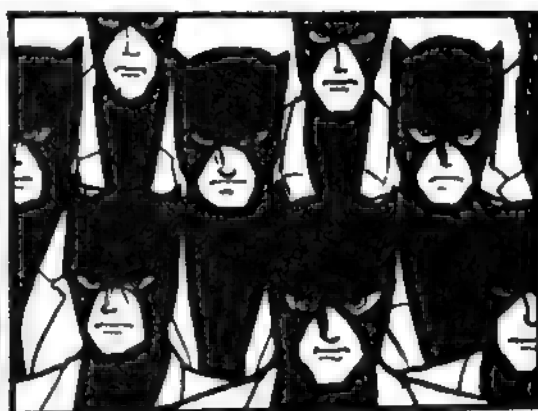

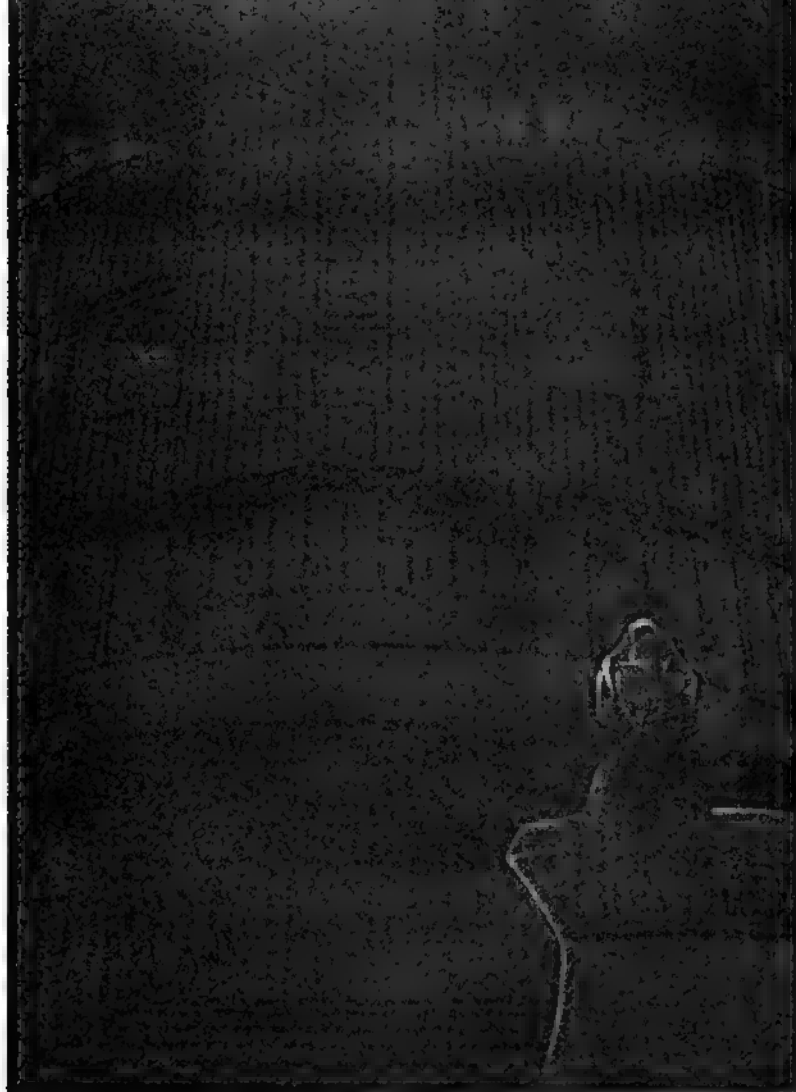

PAN-
THER
CLAW
WILL
BRING
DISAS-
TER TO
THE
WORLD
AGAIN.

BUT PANTHER CLAW WAS A CRIME ORGANIZATION THAT DISTURBED THE WORLD YEARS AGO.

FIND A
WOMAN
WHO
SHALL
RECEIVE
MY POWER
OF DARK-
NESS TO
BECOME
MY
SOLDIER!

AND SHE SHALT
BE A BEING WHO
IS MORE THAN
HUMAN TO
LEAD THIS
WORLD TO
DESTRUCTION!

WE HAVE
ALREADY
SELECTED A
WOMAN FOR
YOU.

A
YOUNG
&
BEAU-
TI-
FUL,

HEALTHY
AND
STRONG
WOMAN.

AND SHE
HAS
SINFUL
DESIRE IN
HER MIND.

YES,
MA'-
AM.

BRING
THE
WOMAN
BEFORE
SISTER
JILL!

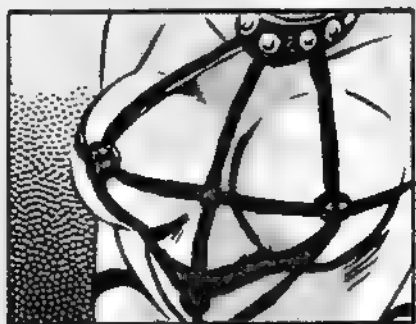

SHOW
ME HER
FACE!

GOOD.

NOW,
SHOW
ME
HER
BODY.

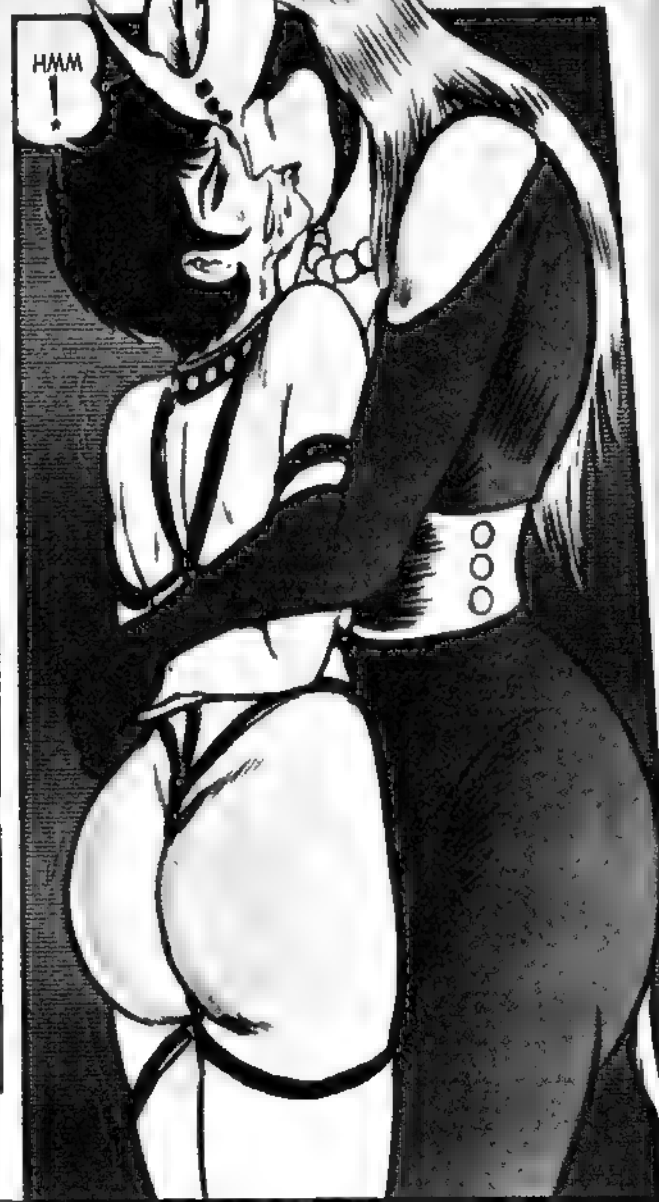

YES, YOU
ARE
GOOD.

NOW,
COME
TOWARDS
ME

WOMAN, THOU SHALT BE
MORE THAN A HUMAN,
THOU SHALL RECEIVE
MY POWER OF DARK-
NESS!

MISTRESS
JILL,
I DON'T
WANT TO...

TO BE CONTINUED... HONEY FLASH!!

It has been 30 years since Go Nagai took up Manga as his carrier which was only his hobby during his boyhood. To date, a lot of Go Nagai Mangas have been produced, but he claims that those are still only "studies". He believes the true Go Nagai Manga will be appearing in the future. He still continues to challenge the various medias such as Anime, video games, OVA, toys, illustrations, graphic designs as well as novels and movie scripts to get the most out of Manga characteristics. It is well worth your time to keep your eyes on the future of Go Nagai, as well as on the development of Dynamic Production and Dynamic Planning.annual

Go Nagai Profile

Born on September 6, 1945 in Wajima-city, Ishikawa prefecture. He is the fourth son of 5 brothers.

In 1964, he graduated from Itabashi Highschool of Tokyo.

In 1965, he become an assistant artist to Shotaro Ishinomori (formerly Shotaro Ishimori), creator of "Cyborg 009", "Kamen Rider" and began to pursue his carrier as a Manga artist.

In 1967, he debut with his first work "Meakashi Polikichi" (Officer Polikichi).

In 1968, his Shonen (boys) Manga series "Harenchi-Gakuen" (Shameless Academy) generated his reputation not only in the Manga industry, but also in the public eye in general!

In 1969, he established "Dynamic Production" for producing and managing his own works.

In 1970, the official Go Nagai Fan Club was established. Currently, Haruka Takachiho of "Dirty Pair" fane is the president!

In 1972, his "Devil Man" seriee started concurrently as a manga and TV Anime seriee. Starting with "Devilman", many other of his works were animated.

In 1973, Cutey Honey started in both Manga and Anime. The Manga Honey ran in "Shonen Champion" (by Akita Publishing). The Anime Honey series was created by Toei Animation and run every Saturday at 8:30 PM.

1973, he created his own unique original world in "Violence Jack".

In 1974, "Dynamic Planning, Inc." was established for copyright management and animation production of his works in Japan and for the world at large.

1978, he became a member of The Japan Sci-Fi Author's club!

In 1979, he started the seriee of "Susa-no-Oh" (Susano'o the King), and he received his 4th Kodansha annual Manga Prize.

1982, He got married. (Congratulatiuons!!!)

1988, he was appointed as a judge of Apoliats Movie Festival in France.

1989, He released his first movie directing effort "Nagai Go-no-Kowai Zone" (Go Nagai's Freithening Zone).

In 1993, released "Cutie Honey" follow up to his 1970's Cute Super Heroine!

In 1966 Go Nagai permits Studio Ironcat of the U.S.A. to publish Honey-chan in English for the enjoyment of Honey's fans all over the world!

明けまして謹賀大新年！！

"A happy new year!" WELL ladies and gentlemen it is hard to believe ,that already a whole year has zipped past. STUDIO IRONCAT was formed in march of '97, and is still steam rolling along well ahead of its original schedule. By the time this issue hits the shelves, We will have expanded from two people to three with Kayt insuring that the English grammar problems will be minimized(Kuni says "Yes, we'll have a booboo contest for y'all!").As for improving our work quality and load, we've come along way baby! Everyday is still a learning process for us and I would like to thank all of you, for your input and patience. We have a lot to be thankful for this past year. I do not think I have traveled this much throughout the USA since I was a wee army brat! Nothing is more exciting to the Ironcat gang than getting to meet and party with you all. We had memorable experiences from driving tanks, meeting lovely ladies everywhere, an in general having fun from the plains of the midwest, to the Rockies, and deep in the heart of Texas!! 1998 will mark a new beginning for us as we will make our first West Coast appearance revert "Fanime Con" in San Jose CA, and we will be supporting Anime / Manga groups in Holland, Germany England and the former Soviet Union (yep, Kuni is even trying to make a deal with Russians for surplus tanks!). IRONCAT is truly going multimedia and global! Be on the look out in 1998 for IRONCAT / Gainax collaborations on Evangelion CD-ROMs and other Gainax products. Also the character IRONCAT and Roxanna will finally premiere in their own books. Well this is all I have to say for right now, Y'all have a Happy New Year, I know I will!

PS. Ippongi Bang gives all her love to you and will see you all at Katsukon!

Well boys and girls, hang on to your hats, there's a new voice at Ironcat and it is anything but subtle. The beginning of the new year brings resolutions, self-examination, and a full-fledged, full-time, editor to humble Fredricksburg.

Yes I, Kayt Roberts, am now "manning" the Ironcat Chat helm!

For those of you who have accessed our web page or have attended Anime/Manga conventions in the past, you've already seen me in all stages of costumes, hair colors, and attitudes. For those of you who haven't hit our page or attended a con...what's keeping you?! Come on already!

Anyway, I threatened to utilize Ironcat Chat to present the Manga public with such art school diatribes as: Deconstructing Doctor!, The Ego and Super Ego Vs Ogenki, Miyu: Existential Angst, Stoic Angel or Just a Goth Babe? and lastly: Derrida Meets Reppa, the Battle Continues! But time being what it is, I'll probably just continue to fill you in on all the hard-hitting Ironcat-related news and stories.

What does my arrival mean? From now on you'll have someone to blame if the grammar is incorrect, continuity is flawed, spelling is skewed or misinformation is given. But I wouldn't hold your breath waiting for such errors. It also means I'll be at more conventions to meet and listen to you, the readers!

And lest you worry that I'm a kill-joy, do not fear. My position on board does not mean the elimination of cheesecake. When the situation calls for it I will not be adverse to publishing shots of babes in small tops, be they Hooters girls, cos-play participants or even the staff of Ironcat itself (although I promise no more boys in sailor suits, not even Steve!)

I would personally like to send a formal "shout out" to my assorted homies, and forgive me for those I forget.

Thanks to Ruth, who raised me well. To Kuni and Steve for their friendship and my employment. To the rest of my natural family for not traumatizing me. To the Boy in Milwaukee who will never read this, and to the UPL boys back in Madison: I miss you all. To Boyo and the rest of the 'family' whom I cherish. To my teachers, my friends, and the army of ex-boyfriends: thanks for all the knowledge you've brought me. And lastly, to the staff of Capital City Comics in Madison who knew me when I was a wee tot collecting Archies!

And of course, my fans!

We just got back from Fanime '98 in Los Altos, California! And let me tell you it ROCKED! Steve and Kuni got to hob-nob with Mr. Yamaga, Director of Gainax, director of *Royal Space Force- The Wings of Honneamise* and producer on such films as *Aim for the Top!* *Gunbuster*, *Otaku no Video* (the character of Kubo is modeled after Mr. Yamaga), and *Nadia in the Seas of Wonder*. I was really struck by his eloquence, which came through loud and clear thanks to the skilled tongue of Fred Schodt. Fred has translated just about everything and in every form of media you could imagine! But Fred is not with his own loquaciousness, I recomend ya'll pick up his latest book *Dreamland Japan: Writings on Modern Manga*. Other guests included Allen Hastings, who has been behind more special effects than you can imagine, and, of course, the three of us. I think it can safely be said, we won't be forgotten. A special thanks go out to Michael J. Wright for having the courage to chair such a con and James Matsuzaki for helping house us when we came out early!

And as always, we loved the chance to go tool around San Francisco! It's one heck of a city. Toshi Yoshida at Viz, a good friend to us lil' folks here at Ironcat, was kind enough to give us the grand tour of the office and join us for dinner. It's always refreshing to remember we're all in this together

Meanwhile, back here at Ironcat, we're getting ready for the full thrust of conventions: **Animazement NC**; **Anime Express '98** in Daytona, Mark*, Chns and I will be going on an informal jot out to **Anime Central**; and then we're all on board for **A-kon 9** in Texas (more Bang!), **Nan Des Kon** in Denver and that's only JULY!

If you think I'm strung out on java now...

But enough about me...I have news!

Ironcat does not only publish comic books!!

Starting this year we will be releasing **Gainax** CD-ROM graphic collections, screen savers and games for Windows and Macintosh. Our first titles will be: *The Evangelion Collectors Discs*, CD-ROM interactive graphic collections of Yoshiyuki Sadamoto, Ippongi Bang, and Hiroyuki Uatane, and lastly *Evangelion Screen Savers*.

We will also be publishing the **Evangelion Anthology Comics** courtesy of **Gainax** and **Movie**. As you should all know by now, Kuni Kimura, producer, translator, and all around Alpha-male here at Ironcat, is the office translator for the **Evangelion** videos. He promises that no joke will go untranslated. Kuni says, "Yes! Gainax work is my life!!" -Kuni really does talk in exclamation points.

There are more exclamation points!!

Shinpei Itoh's **Hyper Dolls** is coming!! The original manga to the ever popular OVA's will soon be available through Ironcat! See more of Miyu and Maika as they battle against evil "Chaos" monsters!! The powerful twosome will hit the stands in July

I know what you're saying, "Wow, two Miyus from one publisher....What a deal!" But there is MORE!! Hiroshi Aro fans will be pleased to know that we've acquired **Futaba-kun Change**!! This hilarious love-comedy will finally be available in English!! Kuni promises to bring Mr. Aro to a convention in the future! **Futaba-kun Change** is scheduled to debut this Fall.

Caution: Do not overuse exclamation points.

Whoa. All this excitement has plum worn me out. Time to take the walk down to our corner coffee shop.

Ahhh, Spring is in the air.

A time for changes all around...

I will get right to the point: I am Kevin Bennett, the new editor here at Studio Ironcat. Kayt Roberts has tendered her resignation and I was lucky (?) enough to be chosen as her replacement. We all here will miss having her around and we wish her much success and prosperity in her future endeavors. Anyways, some of you might also have noticed that I share the same last name as the art director, Stephen. Yes, because I am his younger brother (the third of five total). I know what you are thinking: "Nepotism sucks". Sure it does, but I did not get this job because he is my brother. As a matter of fact, he doesn't even like me all that much, he just tolerates me because I am his bro. But putting our personalities aside, I have shown Kuni and Steve that I am competent enough to handle this job and all that it involves, as you shall see!

Enough of that, let's get on with what's up around here besides personnel changes. We just got back from partying down with a bunch of great folks (and you know who you are) at Animazement in Raleigh, North Carolina. Steve will have gone to Daytona Beach for the second AnimeExpress. And then there is the pilgrimage to Japan that Kuni and Steve will be making in the middle of April. I can't divulge any details, but their calendar is full and they will be busy shmoozing with lots of industry people! I did hear something about a party being held in their honor by Mr. Kanzaki himself! Those lucky dogs. Oh well, there's always the X-mas party for me to look forward to....

As for what's coming up with our titles, April brings us the last issue of "Doctor" and we had to unfortunately put "Flag Fighters" on temporary hiatus. We are not sure when and if the title will resume, it all depends on what you, the readers, want. So any fans who will miss Reppa, send in your opinions, we do listen! As for new stuff, May marks the debut of two new titles: Masaomi Kanzaki's "Gun Crisis" and on the Sexy Fruit Label Akira Gatjow's "Love Drive". In the first of a special three issue mini-series of "Gun Crisis", follow the Elite Anti-Terrorist Special Force Akatsuki (which literally means dawn of Victory) as they are dispatched to a mountain villa in order to rescue an abducted VIP. "Love Drive" presents Miss Gatjow's unique views of love and sex in a series of seemingly ordinary vignettes. June will bring issue #1 of "Cutie Honey '90" volume 2 with yet another Sorayama cover of Sister Jill! And in July, Studio Ironcat is proud to present "Futabakun Change!", Hiroshi Aro's wacky story of a typical high school guy who discovers he has more than just your run of the mill growing pains. Futaba seems normal like everyone else, he is a member of the wrestling team and there is a girl vying for his affection, however there is one thing that he is about to find out: when he gets excited, he changes genders! Follow his/her story starting in July.

Well, that's about it for this month. We will be coming to a con near you, so don't hesitate to come up to us and let us know what you think or just drop us a line. Thank you for supporting Studio Ironcat.

Where to begin?...

Well, Steve and Kuni's pilgrimage to Japan was a huge success. I can't divulge any of the details yet, but let's just say the boys were very productive. Stay tuned, we will let you know what other works we will be releasing in the near future as soon as we dot the I's and cross the T's. A special thanks to each and every one that helped out with the first ever Studio Ironcat Video. It was enjoyed by all (dubbed) at the party in Studio Ironcat's honor graciously hosted by Mr. Kanzaki himself and we will soon be working on the sequel.

I do have one new title to report to our growing line of manga. Fans of the always wonderful and flashy Bang Ippongi will be happy to see that we will be releasing an action/adventure anthology of her's called, quite simply, *VIRTUAL BANG*. The new book will bow in August and it will be a 5 part mini-series so ask your local retailers to carry it. On their trip, Steve and Kuni found out that Bang always dresses like she is at a con and she is blonde now. May will also bring us Ironcatters to Texas for A-kon 9 where Miss Bang and other assorted Japanese artists will once again be featured as special guests. We can hardly wait as it will be yet another big party!

Well, Kuni and Steve are still trying to get over their jetlag and I have finally finished the book that I boneheadedly erased (mental note: do not erase backups until copies of completed books are burned onto cd's). We all here are excited about the new titles that we are in the process of securing and we will be making some big announcements soon.

As always,
Your faithful and humble editor,
Kevin

Greetings readers!

It's been a while since I wrote Ironcat chat myself (this is Kuni by the way). I have some big news to report to you, that is why I am working on this so late at night (1:40 AM Thursdat 5/14, sigh... I want to sleep... "Shut up! You slept for 2 hours a day ago!! I haven't slept in the last 58 hours!! My body is on Tokyo time" is what Kevin says). Anyway, the news:

1. **Mr. Haruka Takachiho** will run a monthly article on our web site and the inside front page of our books. It will be "**Tokyo Motion Picture Insider's Information**". The creator of *Dirty Pair* and *Crusher Joe* will keep us American fans informed about Japan's newest Anime and Manga information every month! You will find this only in Studio Ironcat titles!!

2.
Mr. Takachiho's newest *Dirty Pair* novel "**Heritage of Dictator**" will be released translated by Ironcat! Release date is not decided yet. We'll let you know pretty soon. It is a 200 page paperback novel.

I must give many thanks to his adopted daughter **Ippongi Bang** for conceiving and making these projects a possibility. See? **Bang** is not only a hot looking talented artist, but she also has some serious connections!
But this is gonna be giving me more translation works... argh!!

Summer...

Picnics and fireworks, beaches and parks, heat and humidity...

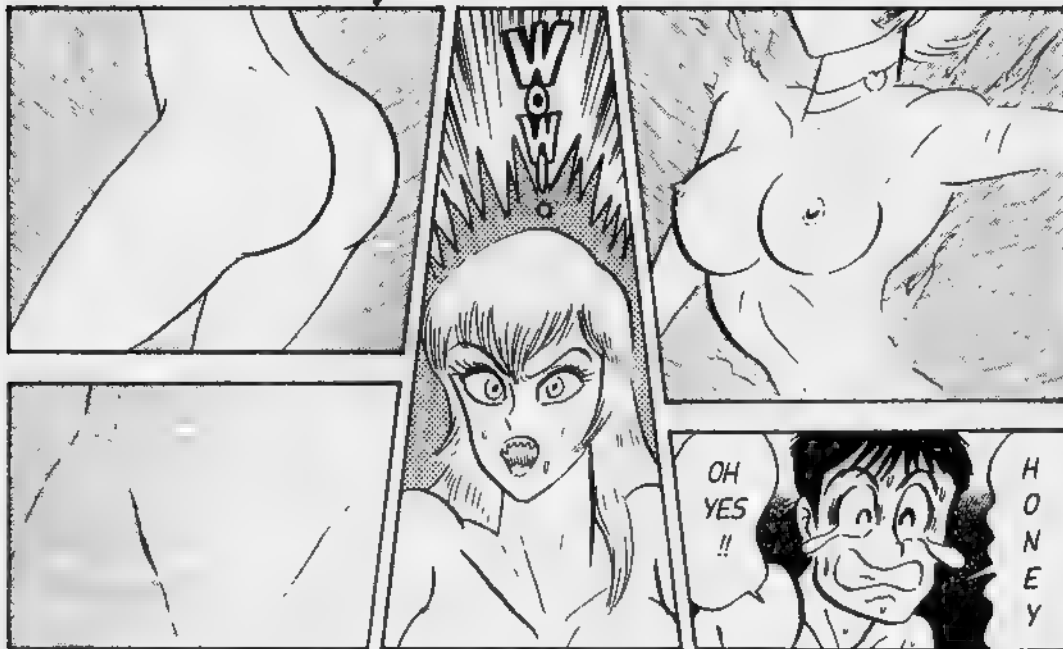

First of all, our web site (www.ironcat.com) will now feature a monthly article written by the Father of Japanese Science Fiction, the honorable Mr. Haruka Takachiho, himself, and it is called "the Tokyo Entertainment Insider's Media Report" featuring info about anything and everything to do with the entertainment industry in Japan. On top of creating such works as Crusher Joe and Dirty Pair and running his own innovative studio called Studio Nue, Mr. Takachiho has watched every anime show on T.V. for the past 20 years! He provides experience, expertise and a unique insight and he is willing to address specific inquiries from you the readers, so send them to us either by snail or e-mail and we'll pass them on to him! This is exciting news for us, because Takachiho Sensei has a stature in the industry that is not equaled and he is giving his time willingly to help enlighten us the American Otaku as to what is going on even before people in Japan catch wind of it!! So, check the web page and send in questions and get ready to learn something new about the Japanese Entertainment Industry! Thanks again from the bottom of our collective hearts to Mr. Takachiho and to Ms. Ippongi Bang for all their time and help!!!

In other news, the newest title to our growing line is Futaba-kun Change, the much anticipated love comedy by Hiroshi Aro about a hapless boy who unwittingly changes genders. The artist and creator Mr. Aro himself will be at Otakon in Washington D.C. next month, so don't miss this opportunity to meet him in person. Next month will mark the addition of two new titles: Virtual Bang! a 5 issue anthology by... well, take a wild guess, and Hyper Dolls by Shinpei Itoh about two lovely Space Aliens, Miyu and Maika who are sent to earth to protect us from...Space Aliens. Coming in August from Studio Ironcat.

Well, the Ironcat offices have been busy the past few weeks as usual. It has taken a while to recuperate from the party at Akon in Texas and now we will be producing 8 titles a month! To think, we used to look forward to summers. Think of us while you are out having fun.

Your faithful editor,

Kevin

LOOK, THERE ARE SURVIVORS!

HONEY'S DOWN THERE TOO!

WE WEREN'T ABLE TO DEFEAT JILL, BUT AT LEAST WE RESCUED ALL THE ABDUCTED PEOPLE!

I'M SO ASHAMED. I COULDN'T DO ANYTHING EVEN THOUGH I'M A COP.

IS EVERYONE ALL RIGHT?

SISTER JILL, I WILL FIND YOUR WEAKNESS AND GET RID OF YOU ONCE AND FOR ALL!

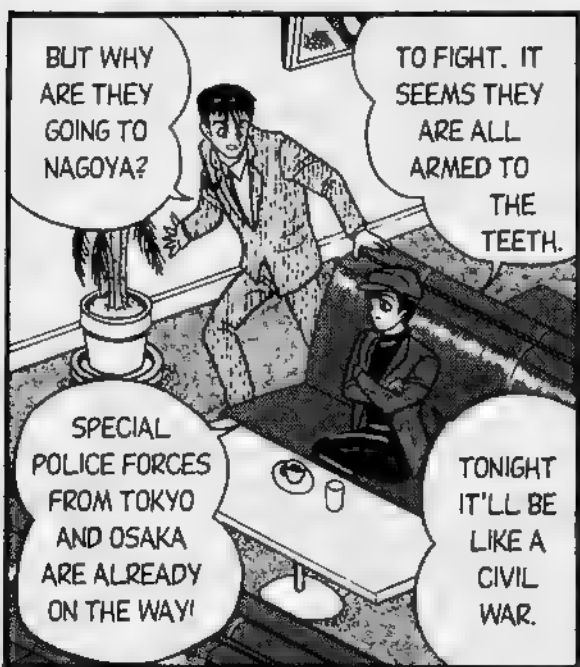

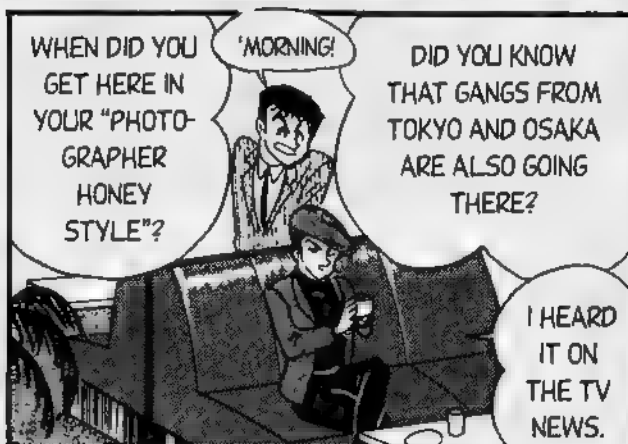

Vs Sister Jill II

**REIGN OF THE
EVIL GOD**

PANTY...
NO, I
MEAN...

PAN-

CLAW
!!

WHAT
ARE
YOU
TALKING
ABOUT?

THIS IS
BIGGER
THAN
JILL...

THE EVIL
GOD OF
THE
OTHER
REALM
MUST BE
INVOLVED!

MORE
THAN
LIKELY...

HOWEVER,
THIS IS
EVEN
BEYOND
JILL'S
POWER!

LET'S GO
FIND OUT FOR
OURSELVES
WHAT IS MAKING
THESE PEOPLE
ACT LIKE CRAZY
BARBARIANS!

WE MAY
EVEN RUN
INTO THE EVIL
GOD WHO
CONTROLS
ALL DEMONS!

NOO, I
DON'T
WANNA
GO!

THAT'S
SCARIER
THAN
JILL!!

SHUT UP AND
COME ON! THIS
IS A PAID TRIP
TOO!

IT'S FUCKIN' HUGE!!
HOPE THAT'S JUST
AN ILLUSION !?

I DON'T KNOW, BUT I
FEEL AN EVIL FORCE
EMANATING FROM IT'S
FACE!

HOW THE
HELL DO
WE FIGHT
AGAINST
IT?!

THAT THING
IS TRYING
TO TAKE
OVER OUR
WORLD?!

I
HEAR
SOME-
THING...

IN MY
HEAD
RIGHT
NOW

Honey,
Honey,
Incarna-
tion of
Beauty!

MUST BE
TELE-
PATHY!

I
DON'T
HEAR
ANY-
THING!

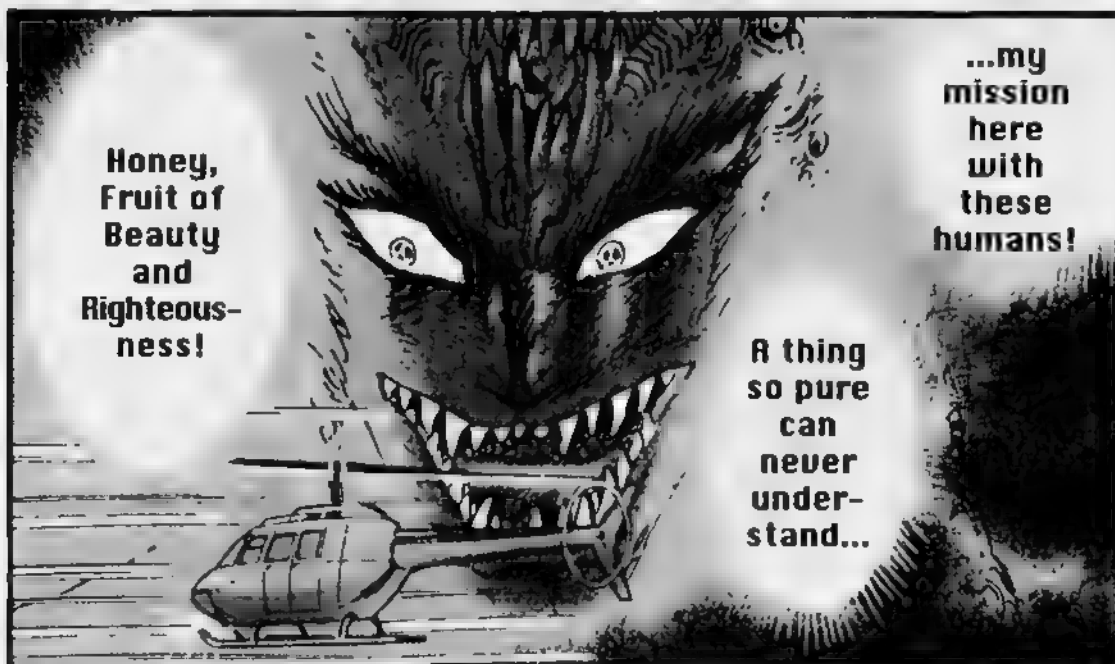

IT'S
ONLY
COMMUNI-
CATING
WITH
YOU!

Honey,
Fruit of
Beauty
and
Righteous-
ness!

...my
mission
here
with
these
humans!

A thing
so pure
can
never
under-
stand...

HONEY,
YOU WERE
CREATED
BY A GOOD
SCIENTIST
AS THE
IDEAL
HUMAN!

LET ME
ENLIGHTEN YOU
ON JUST WHY
EXACTLY WE
ARE INVADING
THIS REALM TO
COMPLETELY
DEMOLISH IT!

WE
WERE
SUM-
MONED

BY
MANKIND
THEMSELVES
WHO WISH
THEIR OWN
DESTRU-
TION
!!

DO
YOU
UNDER-
STAND
?

RI-
DI-
CU-
LOUS
!

WHY
WOULD
MANKIND
...?!

AS I
THOUGHT,
YOU CAN'T
COMPRE-
HEND THIS
SITUATION
BECAUSE
YOU ARE
THE IDEAL
HUMAN
HONEY!

THE FOLLOWING IS JUST PROPAGANDA BY THE EVIL GOD TO FOOL HONEY REMEMBER "DON'T BELIEVE THE HYPE"-ED

However,
Humans
are not
perfect
like
you!!

They're
created with
"destructive"
genes in their
minds and
bodies!

Cancer is an
example. it may
be attributed to a
number of outer
causes, but it really
is due to the pre-
programmed destruct-
ive gene that is
activated because a
person subconsciously
wills it.

Just look at
the human's
history and
you will find
lots of
evidence of
their Death
Wish!

Why
else is
their
history
filled
with
War?

DO YOU
UNDERSTAND
HOW THERE
COULD EXIST
A DEMON
SUCH AS
HITLER?

HITLER
HIMSELF
WAS
NOT
THE
DEMON,
PER SE!

HE WAS PUT
INTO POWER BY
OTHER HUMANS
WHO ALLOWED
HIM TO CARRY
OUT HIS
DESTRUCTIVE
AGENDA!!

IT WAS OTHER
HUMAN'S
SUBCONSCIOUS
WISH FOR
DESTRUCTION
THAT INVOKED
THAT MAN
INTO POWER!

THAT'S
A
LIE!

DON'T
TRY TO
FOOL
ME,
YOU'RE
THE
DE-
MON!

HUMANS
ARE...
HUMANS
ARE...

WE
JUST
CAME
TO
GRANT
THEM
THEIR
WISH!

August is a great time in Japan.

After the rainy season in July, August comes with it's high heat and humidity. It is during this month that all Japanese get a short vacation and shops and offices close for a week. It's also the busiest travel time as families get together to celebrate Obon-- a national holiday observed countrywide to respect those who came before. The Japanese believe that the deceased spirits come back and visit at a certain time every year. Families get together, eat and reminisce. An annual tradition is watching Takahata's heart wrenching animated movie "Grave of the Fireflies" which is shown on T.V. every year (I highly recommend this if you've never seen it! It depicts the War from the perspective of a young boy and it's about him and his sister who have lost their parents and try to have just live after the devastation of the Atomic bomb. If you cried while watching Charlotte's web, then... It's available here from ADVision). Another custom during Obon is to take cucumbers or eggplants and stick four toothpicks in the bottom making them stand up on their own. These are transporters for the spirits so that they can return safely to heaven. After Obon, they burn these vegetables and prepare to get back to the hustle and bustle of the daily grind.

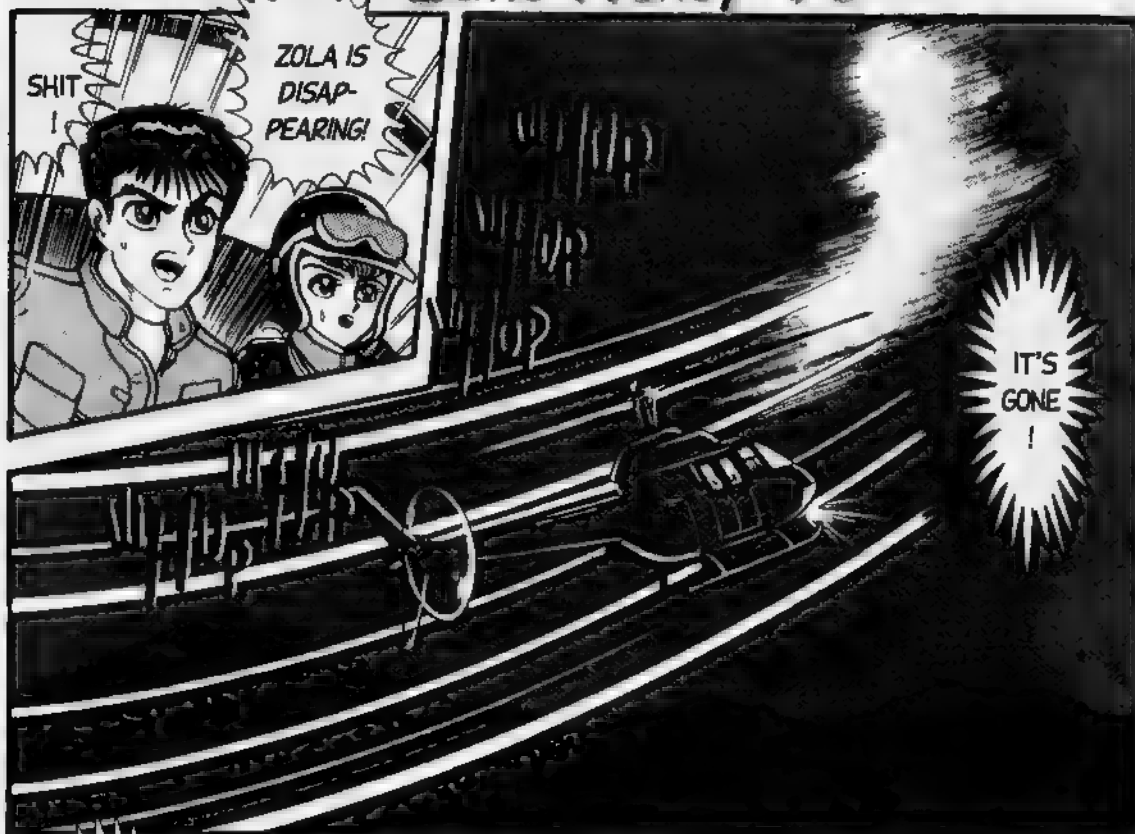

During this month, do as the Japanese do and get together with your entire family and just sit around and reminisce. Say a prayer for all those have come before us and especially to those who have recently departed...

Your Humble Editor,
Kevin

P.S. Thanks so much to Miss Sachiko Uchida for all her help!

One Year...

Not a very long time in the grand scheme of things but also not a very short time either. Especially when you consider the experiences one garners in such a period. We here at Studio Ironcat are celebrating our first year of publishing Japanese Manga.

We would like to take this opportunity to thank a few people without whom this company would not be possible:

First and foremost: Mr. Masaomi Kanzaki for having the trust and instinct to let us found this company.

Mr. Yoshihiro Yonezawa of Comic Market for inspiring Kuni to start his own company.

Mr. Go Nagai for being Mr. Go Nagai.

Ms. Bang Ippongi for all her help and guidance above and beyond.

Mr. Haruka Takachiho for contributing his article and allowing us to bring the Classic Manga Crusher Joe to American readers (yes, you read right, we will be publishing Crusher Joe starting next year).

Mr. Tatsuya Ueno for all his help with Crusher Joe and his indispensable guide: "Tokyo Conquest Map", the complete yearly guide to manga, anime, and toy shops.

Mr. Hirokazu Takahashi, the director of Akita Publishing Copyright Division

Mr. Yasuhiro Takeda and everyone at Gainax (even though the CD-Rom project is not looking too good).

Mr. Toru Kubo of Red Company for giving Steve and Kuni lots of Toys.

All the artists, co-workers, family and friends who help to make these books possible. There are way too many to name by name but you know we can't do it without you.

And last, but certainly not least, thanks to all you, the Fans and Otaku worldwide! Thank you for making all this worthwhile. Keep sending us your letters and feedback, I swear we read them and we will answer them as soon as we get out from under these big stacks of work.

Until the next anniversary...

Your humble editor,
Kev

BETWEEN THE PLANETS
MARS AND JUPITER,
THERE ARE MILLIONS
AND MILLIONS OF
ASTEROIDS FLOATING
AROUND AIMLESSLY IN
SPACE.

AS MOST OF YOU
SHOULD KNOW, SOME
OF THESE ASTEROID'S
TRAJECTORIES MAKE
THEM PASS
DANGEROUSLY CLOSE
TO THE EARTH.

IN THE
PAST 3
YEARS
ALONE, 8
ASTEROIDS
HAVE DONE
THIS.

ANY ONE OF
THEM COULD HAVE
CAUSED A MAJOR
CATASTROPHE IF IT
WERE TO HAVE MADE
AN IMPACT ON THE
EARTH!

ACCORDING TO
ASTROLOGIST'S
CALCULATIONS, A HUGE
METEORITE CALLED
"TOTACHIS" SHALL PASS NEAR
THE EARTH BY THE YEAR 2,000.

YOU'RE
SAYING...

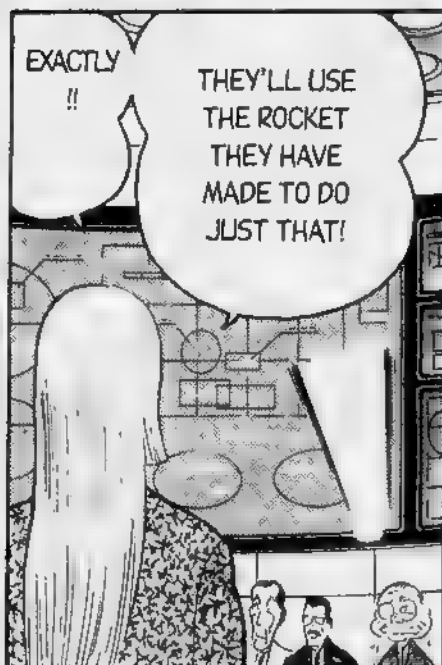

PANTHER CLAW
INTENDS TO
SHIFT THE
ORBIT OF THE
ASTEROID TO
FALL DIRECTLY
ON THE EARTH?

EXACTLY
!!

THEY'LL USE
THE ROCKET
THEY HAVE
MADE TO DO
JUST THAT!

IN ARIZONA, A

IN "DEEP

HUMANS TRY TO
BLOW THE

I LIKE
"GORATH"
BETTER!

THEY PUT
A ROCKET
IN ANT-
ARCTICA...

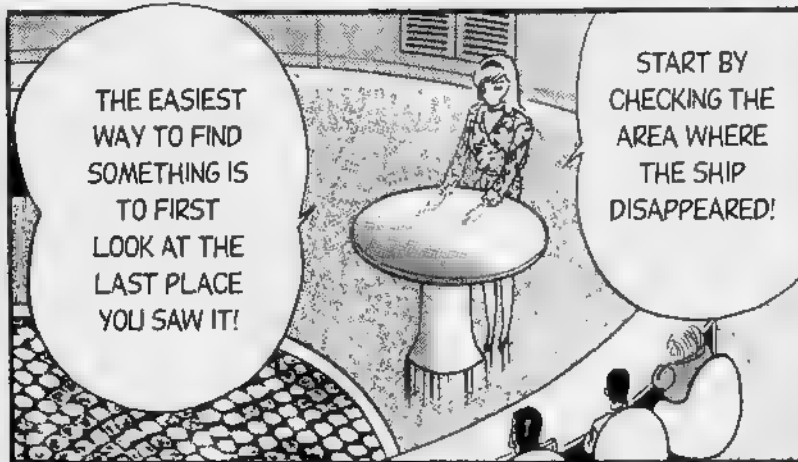

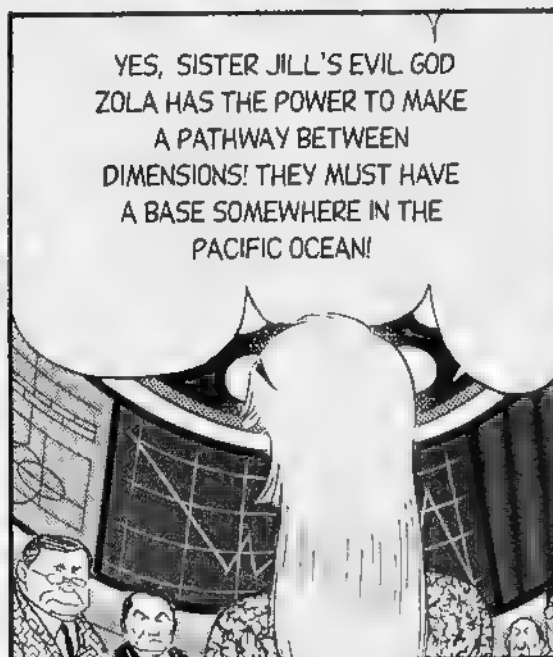

THEY TRIED TO MAKE THE
EARTH A ROCKET AND
JUST BLAST IT OUT OF
THE WAY OF THE INCOMING
ASTEROID!

BUT A GIANT
MONSTER, "MAGMA"
DESTROYED THE
FACILITY.

BUT WHY WOULD
THEY GO THROUGH
ALL THIS TROUBLE
TO DO SUCH AN
EASY THING...

THEY COULD
JUST SIMPLY
USE THE A-

THEY DO

Happy Halloween Everybody!!

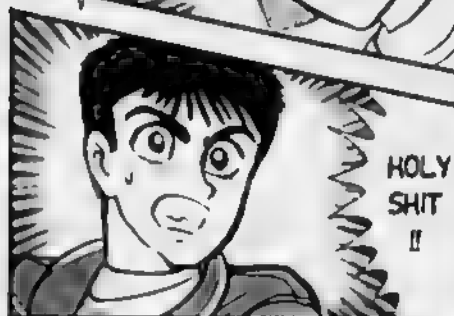

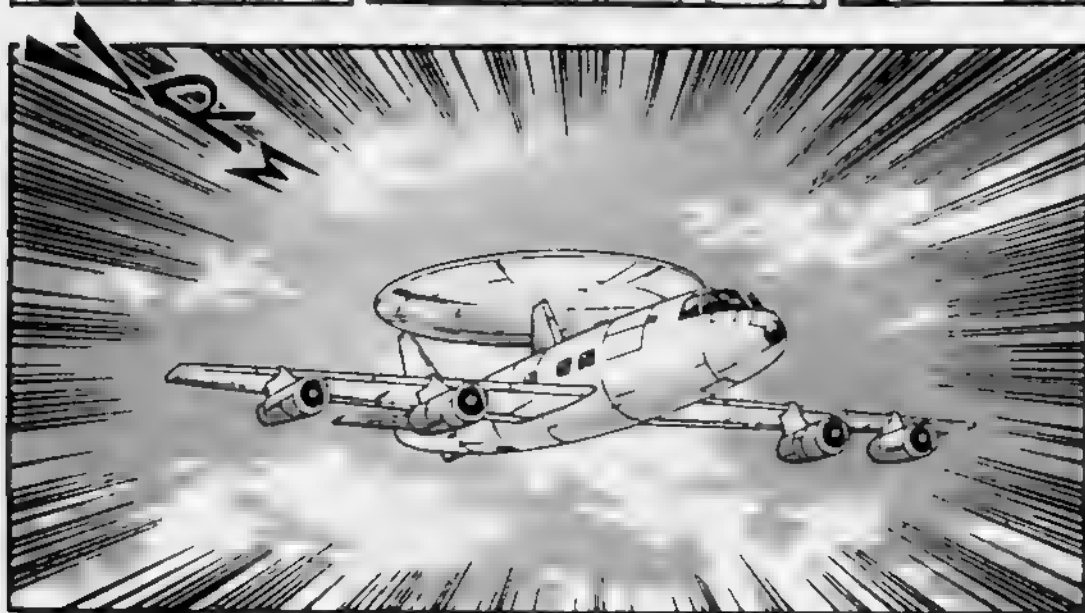

This month brings us to the end of another busy and productive convention season which makes us both quite happy and quite sad at the same time. Conventions are one of our favorite things. First of all, it gives us the chance to meet some really wonderful people and see all of the friends that we have made at past cons. There are so many cool people at these functions and we cherish the (short) time that we get to spend with you. Also, we come into contact with a wide variety of artists and other industry people who are always ready and willing to share their knowledge, stories and opinions (especially if you bribe them with alcohol and or food). Guests at these conventions are the friendliest people you will ever meet and many of these guests come from Japan (sometimes for the first time) so it is always a memorable experience. And then of course there are the convention chair-people, staffs, and volunteers who make these conventions as enjoyable as they are.

We love to travel and the time away from the office is welcomed. We are always working here, so we anticipate hitting the road and seeing America. There is something to be said about living out of a suitcase, eating out and having someone come in and make your bed while you are gone. Steve's wife has taken to going with him to some of the closer conventions, because she hardly gets to see him at home on the weekends anymore (even though she hardly gets to see him at cons, either).

Finally, conventions inspire and drive us. Without seeing and hearing people tell us what they like or how much they like our books, all this would not seem as worthwhile. And we just love to Party.

We are happy that con season is over, because now we can devote more time to doing what we like best: sharing Manga with you in a form that can be understood. Thanks to everyone who make these cons so much fun and we will miss each and everyone of you... until next year!

Your humble editor,
Kevin

Turkey and football...

The two things I will miss the most after I leave here. Actually, it's not those things that I will miss, per se, but it's the time that I would've spent with my family (yes, my big clan that thinks I'm the antichrist) enjoying these traditional favorites. This year, it will be sushi and sake for me. Yes, you read correctly. I, your humble editor, will be moving my base of operations to the other hemisphere. By the time these books hit the shelves, I will be busy making a home in a tiny apartment in the heart of Tokyo with my beautiful fiancée, Sachiko.

Why, do you ask, am I wasting this space to write about my personal life?

First of all, don't be alarmed! You will still get your favorite stories in the style that you have become accustomed to. I will still be your humble editor-in-chief, as I will be doing the scripts from the beginning from now on. What better way for me to learn the language than by translating the stories and immersing myself in the culture, right?! Sachi will be helping me with my Nihongo (especially the Kanji) and I will pass this knowledge on to you through better and more faithful translations. This will free up Kuni's time for more lofty pursuits, mainly acquiring new titles.

Secondly, I won't just be stuck in an office while I'm over there (like I pretty much am here). I will be traveling all over checking out anything and everything and reporting back to you. Whether it be visiting animation or recording studios, going to toy shows and Komiket, or just checking out anime shops (thanks to Mr. Ueno indispensable guide), I will report back to you any thing of interest. Also, I really can't give you any details yet, but let's just say I will have the honor to attend some pretty exciting functions with some of your favorite artists! I will put my journalistic talents to work and take lots of pictures so you guys over here can get a feel what it's like to... well, I'll let you know more as I do it.

And finally, you will want to save your money for this one- sometime next year, I will be hosting visitors who want to come check out Japan for themselves. It'll be a blast! I'm still working on the details, but it'll be called the "Otaku Dream" tour and it will be a package type deal with room, board and travel expenses included in one price so all you have to do once you get here is have fun! More info will be available in the coming months, so just e-mail us if you are interested.

Well, I better get back to work. I have a ton of stuff to do before I leave, as you can imagine. Don't worry, I'll be back for some conventions next year, so I will see you there.

Until next time, I remain as always, your humble editor,
Kevin
